Hygiene & Safety

Protection for Everyday Tasks

Our hygiene and safety products help foodservice teams maintain clean, professional working environments. From disposable gloves and hairnets to aprons and protective wear, each item is selected for dependable everyday performance.

Designed for Clean, Safe Operations

Proper protective supplies help reduce cross-contact, support sanitation procedures, and keep employees prepared for food handling, cleaning, and maintenance tasks. Multiple sizes and material options are available for different applications.

Solutions for Busy Workplaces

Safra Distribution provides practical hygiene and safety products for restaurants, commercial kitchens, cafeterias, food-processing facilities, and other high-volume operations. Our collection helps businesses protect employees, maintain cleanliness, and keep essential supplies readily available.

Waste & Recycling

Reliable Everyday Performance

Our waste and recycling products help businesses manage everyday disposal needs with dependable strength and convenience. From can liners and trash bags to recycling and compostable liners, each product is designed for demanding commercial environments.

Designed for Better Waste Sorting

Color-coded and application-specific liners make it easier to separate landfill, recycling, and compost waste. Multiple sizes, thicknesses, and materials are available to fit different receptacles and operational requirements.

Solutions for Busy Facilities

Safra Distribution provides practical waste-management supplies for restaurants, airports, schools, offices, food-processing facilities, and other high-volume operations. Our collection helps teams maintain cleaner spaces, improve efficiency, and keep waste-handling supplies readily available.
